

Why Choose a Nonprofit CPAs Member Firm?

Now more than ever, financial managers need trusted assistance in navigating difficult courses as they have to provide more services with less resources. From Form 990 implementation to budgeting to fundraising issues, the industry experts in Nonprofit CPAs can help you find innovative and creative solutions to your unique challenges.

Nonprofit CPAs member firms have the knowledge and skills to help create and maintain a fiscal and management framework so your organization can adapt to its evolving needs. Nonprofit CPAs members can help you put in place effective systems that make financial reporting compliance an easy task. Nonprofit CPAs members serve nonprofit entities across the US and Canada, including Charitable Organizations and Agencies, Health & Welfare Organizations, Foundations, Public Charities, and Government Funded Organizations.

Members understand the economics, operations, and trends in the industry. Members attend continuing education events, workshops and seminars to stay on top of the latest regulations and issues facing nonprofits today. If you are finding federal and state funding declining, regulations increasing and fundraising becoming more difficult, contact Nonprofit CPAs to find a firm near you. Let us assist you by finding an experienced and knowledgeable accounting firm to work for you so you can concentrate on your mission and services.

YOU NEED A CPA FIRM THAT BELONGS TO NONPROFIT CPAs

Nonprofit CPAs members are ready to work with you to help you meet all your key challenges. Each member firm is able to provide a range of services beyond the standard level of service. Whether you need an Audit, compliance or operations systems review, or need to satisfy Regulatory or Contractual Agreements, Nonprofit CPAs has a firm qualified to serve your industry needs.

In addition to traditional auditing and tax assistance to government and nonprofit organizations, Nonprofit CPAs members can help you prepare. Board of Directors and Regulators appreciate a candid review of issues ahead of time, and tend to look favorably upon proactive steps being taken to improve. Nonprofit CPAs members can help you prepare for state and federal examinations by finding those situations and issues that need attention before the regulators arrive. Members also collaborate in order to expand the array of services available to your nonprofit organization.
